## HIGH SPEED FOR TOP PERFORMANCE

This 13mm, impermeable full PUR system features 3 specialized layers, with a durable wear layer and 2 layers of polyurethane and rubber granules for optimized force reduction and energy return.

### HIGHLIGHTS

- ▶ **Full depth EPDM , no SBR rubber**
- ▶ World Athletics Certified System
- ▶ Dual polyurethane and rubber layer reduces impact and returns energy to the athlete
- ▶ Formulated to resist UV degradation in the world's harshest climates
- ▶ Top wear layer is poured-in-place and embedded to a seamless, predictable surface that resists spikes

### COLORS

Additional & Special Colors are available on request.
